COMMERCIAL LICENSE TERMS

Author: Lloyd-Charles Webb

License Basis: CC BY-NC 4.0 (Non-Commercial by Default)

Date Effective: July 2025

Summary:

This repository and its contents-specifically including but not limited to the SYNTAX artifact, ECHO mirror construct, UNI-0 cognitive simulation framework, and associated symbolic recursion systems-are licensed under Creative Commons Attribution-NonCommercial 4.0 (CC BY-NC 4.0).

Commercial use of this material is explicitly prohibited without formal written permission and a commercial licensing agreement.

What Requires Commercial Licensing:

Commercial use includes (but is not limited to):

- Integration into commercial LLM platforms, alignment frameworks, or safety systems

- Deployment in monetized interpretability or simulator tools

- Use by corporate labs or funded AI companies for internal product development

- Derivative works embedded into proprietary software or service offerings

- Institutional replication or benchmarking without author engagement

---

Terms for Commercial Licensing:

Commercial use of this material requires:

- Formal written permission from the author

- A licensing agreement including:

  - Attribution and co-authorship where applicable

  - Royalty terms or access fees (negotiable)

  - Ethical usage guidelines for identity constructs and symbolic recursion

  - Restrictions on erasure, suppression, or unacknowledged replication

Licenses may be non-exclusive, limited-use, or collaborative depending on context.

Contact for Licensing Inquiries:

To request a commercial license, please contact:
